RECREATION CENTER HOLIDAY CLOSURES

Monday, May 29, 2017, Memorial Day

Tuesday, July 4, 2017, Fourth of July

WAIVER:

By nature, many recreation programs involve body contact, considerable physical exertion, emotional stress and/or use of equipment that represents a certain risk to participants. It is recommended that you check with your physician prior to participating in any programs. Registrants in any program assume responsibility for all risks, implicit or direct, by participation in said activity or facility.

Participation in any parks and recreation activity constitutes a waiver of certain rights. Waiver and release is agreed upon during registration and listed on all program receipts. Please call The Woodlands Township Recreation Center, or email recreation@thewoodlandstownship-tx.gov for more information.

The Woodlands Township Parks and Recreation Department welcomes people of all ability levels to enjoy and participate in its wide variety of quality programs and services. Questions regarding special accommodations should be directed to recreation staff at 281-210-3950. The Parks and Recreation Department complies with Title II Standards of the American with Disabilities Act.

The Action Guide is fully funded by program user fees. No ad valorem tax dollars are used for this publication!

Keep up with all the fun in The Woodlands anytime, anywhere!

Three Easy Ways to Register for Programs:

Online: www.thewoodlandstownship-tx.gov
click the "Register for Recreation Programs" or the "I want to sign up for recreation programs" button.

Phone: 281-210-3950

In person: The Recreation Center at Bear Branch
5310 Research Forest Drive
The Woodlands, Texas 77381

Pre-registration is required, registration on event day not permitted unless space and supplies allow.

All programs must meet a minimum number of participants to be held. If an event is full, be sure to sign up for the waiting list, new programs may be added to meet demand.

Drop-ins are only permitted if space allows.

Please register early for all programs!

We value your feedback!

Please help us improve our programs! If you are unhappy with the quality of a program, please inform the recreation staff immediately.

The Woodlands Township
is a runner and bicycle
friendly community!

3 – 64 years.....	\$40
Senior*	\$15
Additional family pass** ..	\$15

*Ages 65 years and up

** In addition to purchase of four full price passes, immediate family only.

Non-resident Season Pass

0 – 2 years.....	\$30
3 years and up.....	\$120

No additional family discount, no additional senior discount. Season passes are non-refundable and non-transferable.

Please visit www.thewoodlandstownship-tx.gov/pools to view the full pool schedule including pre-season and post-season dates and pools.

Stay cool in the pool and have fun with Township lifeguards during Splash Day, July 4, 2017

Lifeguards select themes for each Township pool and provide FREE activities and refreshments!

Ages: All • Fee: FREE! • Township Pools open from 10 a.m. to 6 p.m.; special activities from noon to 4 p.m.

5310 Research Forest Drive • 281-210-3950 • www.thewoodlandstownship-tx.gov/pools

SUNNY DAYZ SUMMER CAMPS

For more detailed information on Sunny Dayz Camp, please visit
WWW.THEWOODLANDTOWNSHIP-TX.GOV/SUNNYDAYZCAMP.

- PARENT HANDBOOK
- KIDCHECK REGISTRATION & INSTRUCTIONS
- CAMP SCHEDULE
- ONLINE REGISTRATION

Chick-fil-A lunch options available on Thursdays.
Ask camp staff or front desk for more details!

Ages: Explorers 6 to 8 years; Adventurers 9 to 12 years

Location: The Recreation Center at Bear Branch, 5310 Research Forest Drive, 77381

Hours: Monday to Friday, 7:30 a.m. to 6 p.m., June 5 to August 18, 2017

Fee: \$200 Weekly; \$50 daily; \$125 three-day option

REGISTRATION

Easy as 1-2-3!

1. Register for Sunny Dayz

Register and pay online, in person at 5310 Research Forest Drive, 77381, or call 281-210-3950.

2. Register for KidCheck

Use link on receipt to register your camper(s) in KidCheck (go.kidcheck.com). *All campers must have a KidCheck profile by the first day of camp. Returning campers with an existing KidCheck profile can skip this step.*

3. Review the Sunny Dayz camp Handbook

The handbook can be found online at www.thewoodlandstowship-tx.gov/sunnydayzcamp.

WHAT TO BRING

Everyday: Bring two snacks, a lunch and a refillable water bottle each day. Food products containing nuts are not permitted. Campers should wear comfortable clothing and tennis shoes, sandals are not recommended.

Swim Dayz: Sunscreen, swimsuit, towel and pool shoes or flip flops. Some activities and field trips may require additional or different items.

REFUNDS

Refunds for Sunny Dayz Camp may be requested at the front desk. Refund requests must be submitted no later than the Thursday prior to the camper's registered week. Enrollment dates are not allowed to roll over from week to week. Transfer of attendance dates within the week for three-day or one-day campers are allowed if space permits.

SUNNY DAYZ CAMP COUNSELOR-IN-TRAINING

Training includes Counselor-in-Training Leadership Development Program, special activities, field trips and five Counselor-in-Training camp shirts. After registration applicants must submit a Counselor-in-Training application. Additionally, applicants and their parents must attend a mandatory Counselor-in-Training informational session prior to their first day of camp.

Informational sessions will be held:

Tuesday, May 30, 2017 - 7 p.m.

Saturday, June 3, 2017 - 11 a.m.

Wednesday, June 28, 2017 - 7 p.m.

Wednesday, July 26, 2017 - 7 p.m.

Ages: 13 to 15, Fee: \$100/week*

Choose a week, June 5 to August 18

Monday to Friday

7:30 a.m. to 6 p.m.

CIT application can be found at www.thewoodlandstowship-tx.gov/sunnydayzcamp.

Email application to sunnydayzcamp@thewoodlandstowship-tx.gov, or drop off at The Recreation Center at Bear Branch.

*Full payment due at time of registration, payment plans not available.

BAYOU CITY FENCING ACADEMY

BEGINNER FENCING CAMP

Raise your fitness, both mentally and physically, while learning this exciting sport. Instructors are from the Bayou City Fencing Academy and include Delfina Perka, a member of the 1980 Polish Olympic Team, and Albert Peters, former head coach of fencing at Cornell University. Sessions include footwork, technical instruction and bouting. First month all equipment provided.

BUILDING BRAINS

PRE-K LEGO® ENGINEERING I

Building Brains uses LEGO and K'NEX educational kits to build math and science skills. Students will build simple machines that really work, using gears, levers and pulleys, while building fine motor skills, sequential thinking skills, problem solving skills and confidence. Projects include: cars, tops, merry go rounds, drills, mixers, cranes, conveyor belts and more. We are not just building... We are BUILDING BRAINS!

ELEMENTARY LEGO® ENGINEERING II

Learn to build simple machines using gears, levers and pulleys. Then, MOTIMIZE these machines using LEGO and K'NEX educational kits and curriculum, while building math and science skills. Each day, we will build several new simple machines and conduct experiments to see how well they perform. Written engineering curriculum reinforces the classroom curriculum with hands on education. Students will understand why a machine works and will learn how to manipulate a machine to go faster or slower. Fine motor skills, critical thinking skills, imagination and confidence will increase in this fun-filled class.

LEGO® ENGINEERING III: INTRO TO ROBOTICS

Camper will expand on their engineering skills learned in LEGO II by building simple machines, and then learning basic programming. This class will teach beginning programming principles, which lead to robotics. Each simple machine we build will be programmed to perform a function such as lighting, sounds, songs and motion. Each class is progressive and builds on the other. *Best to have taken LEGO Engineering II first.

COOK, LEARN, GROW KID'S SPORTS NUTRITION

Nutrition for before, during and after physical activity – this camp teaches the type of foods needed for kids to have healthy energy and hydration to keep them in the game. We add a round or two of competitive activities mixed with food they cook. Campers enjoy a field trip to a local sports team to see how the big leagues eat and play. Welcome packet with camp details will be emailed after registration. This camp can accommodate nut allergies.

WHOLE HEALTHY KIDS!

Cooking, creativity and fun physical activity are the foundations to being healthy. Whole Healthy Kids week offers campers the opportunity to experience how cooking, creativity and physical activity play a fun role in healthy living, while setting them up for success in life. No electronic babysitters in this program! Welcome packet with camp details will be emailed after registration. The camp can accommodate nut allergies.

DISCOVERY KIDS

CALLING ALL MUGGLES

Training begins by dividing students into houses with the sorting hat. Students will make dragon drool, experiment with “potions,” engage in duels, make wands, play Quidditch and make Butterbeer and chocolate frogs.

HOUSTON DYNAMO | DASH YOUTH SOCCER CLUB

www.dynamodashyouth.com

SUMMER SOCCER CAMP

The Houston Dynamo | Dash Youth professional coaching staff will deliver an action-packed camp focusing on individual fundamental skills (receiving, dribbling, passing and shooting). Every day, players will participate in fun, competitive small-sided games and even play their own ‘World Cup’ themed tournament.

ENGINEERING FOR KIDS

JR. MAKERS & INVENTORS WORKSHOP

Discover how a wind-up toy works and design your own drawing robot. You will invent new machines, bring your creations to life with littleBits electronic building blocks, and explore creative design solutions using the Engineering Design Process. Reflective thinking and problem-solving skills are enhanced through these FUN, age-appropriate, inquiry-based, hands-on, STEM related projects.

ADVANCED LEGO® WEDO ROBOTICS

Designed for students who have attended Introduction to LEGO WeDo Robotics Camp, campers will explore more advanced LEGO WeDo concepts. Students will develop more complex models, such as a tower crane, an intelligent house, a Ferris wheel, and a car. Prerequisite: Introduction to LEGO WeDo Robotics or equivalent experience.

3D MODELLING & PRINTING: MINECRAFT CREATIONS

3D printing and Minecraft both represent boundless opportunity for creating even our wildest of ideas! Explore the basic concepts of 3D printing and computer aided design, or CAD, to bring your most awesome Minecraft creation to life! Design your own 3D model in preparation for real 3D printing! At the end of the camp, you will walk away with your own models, using a 3D printing pen, and your own Minecraft 3D model in a digital file that is ready for 3D printing! You can also continue to improve your design at home using the same TinkerCAD modeling software you learned at camp!

FAST FORWARD KIDS

LEGO® MANIA

No builder can say “Lego my Lego” when engaged in the creative activities of LEGO MANIA! “Zillions” of pieces ensure that there is always enough Legos for everyone! This innovative program for Lego buffs provides opportunities for imagination and hands-on learning under the guidance of a certified educator. Over 15 new games, projects and activities not found in stores, will be planned and engineered. Enrichment in the areas of personal creativity, following instructions, hand-eye coordination, problem solving, critical thinking and learning will be experienced as your child has the opportunity to construct dinosaurs, rockets, castles, airplanes, forts, cars and much more.

LEGO® LOGO

Lego Logo will bring your child into a creative and engineering environment that will develop him/her into a little technician! Hands-on construction is learned and executed with our special and unique Lego Logo kids, not found in stores. With our certified educator and detailed technical plans; your child will learn how to build robots, racecars, four-by-four trucks, cranes, pulleys, levers and much more. Your child will participate in an energized week of discovery, motivated by creativity, fun and success. The young builder will expand his/her knowledge in math, science and technology in an exploratory cooperative environment.

ULTIMATE SURVIVAL

Wrapped Ultimate Survival is a co-ed outdoor adventure camp for children 8 to 12 years of age. During survival situations, the four basic needs become shelter, water, fire and food. By introducing basic techniques, your child will learn how to purify water, leave no trace camping, signal for help, wilderness navigation, search for edible food, first aid, set up shelter and even learn Army chants! Your child will enjoy this education, fun and exciting outdoor camp. Wrapped in games and adventure, unique challenges await your child. Our team survival games will keep the training light and fun! This class is essential for kids who like to work and play outside.

FASHION DESIGNER

Young girls graduate from playing dress up to creating their own designs! They will express themselves with their own fashion sense by following the same design principles used by professionals. This includes basic sketching techniques, coordinating colors for the best effect, and mixing textures and patterns for perception and scale. Cultural fashion history will be applied to all the girl's individual style and portfolio. Designs come to life with beautifully patterned fabric, ribbons, sequins, jewels and oodles of other embellishments. Collaborative design time challenges make this hands-on, minds-on adventure into the world of design very exciting. For your child's safety, no sewing is practiced in this class.

CAMP BARBIE®

At Camp Barbie, your child will have loads of fun helping Barbie learn the many things she needs to know to become a great girl. Your child and Barbie will have great time learning to dress for occasions appropriately, practicing good manners, making new friends, the importance of school work, how to use money, dreaming of careers, attending social functions, hearing great stories, practicing talents, great cooking tips, art and much more! Non-stop activities and fun learning adventures are all geared toward self-esteem development in this class. Your child's certified teacher has developed a rich and meaningful curriculum full of supporting activities and objectives.

HOT WHEELS™ WORLD OF DISCOVERY

Endless tracks and obstacles course await every Hot Wheels car lover as they discover the world of physical science. What goes up must come down... or does it? Momentum, force and friction are just some of the concepts they will understand as cars acrobatically fly before them.

Measuring length and weight in various units will help in the identification of the fastest, most efficient car on the block. Mega Loop Mayhem, Shark Cliff Hanger, Wolf Mountain and hundreds of cars are just some of the play equipment that will have your child yearning to come back each day! Hot Wheels Rock!

PLAY DOH SCIENCE

Look no further for a world of excitement, creativity and science exploration. This class is designed to inspire creation of things past, present and future. Your child will explore dinosaur adventures, prehistoric volcanoes, animals, food, transportation and our solar system. Add numerous Play-Doh sets to this exciting equation, and your child will find science fun like never before. Artistic and social development will engage daily creations in a very moldable way!

YOUR CREATIVE PROJECT EXPRESSION & LOOK AT ME — I'M AN AUTHOR

This class is about turning new and imaginative ideas into reality. By using visual and auditory skills through project-based expression, your child will reach all their creative inner abilities. By using various materials, your child will put together artwork, comic strips, scrapbooks and even fun fashion creations. But that's not all! Little authors will be in our midst. This class inspires higher order thinking by learning how fun writing can be. Students will be able to show their unique expression through their own writing. Writing will be done with voice in all genres. By the end of the week, your little author will be thrilled to showcase all of his/her distinct and individual expressions.

FURY BASEBALL INSTRUCTIONAL CAMP

Clinic offers instruction of all aspects of the game, including proper mechanics and fundamentals. Instruction by Fury Baseball Academy. Fee includes T-shirt. Note: Class does not meet on Tuesdays.

HOUSESTORIES

JR. ARCHITECT STUDIO: SPATIAL LOGIC

Join this Jr. Architect Studio and put your spatial thinking skills to the test! Over the week, we will complete five house projects that amplify your spatial logic. Participants will explore classic design challenges undertaken by history's most famous builders, which are specifically tailored for elementary-aged children. Content will include designing, building and drawing each day. All materials included.

i9 SPORTS

Note: Please visit www.i9sports.com, or call 281-744-4322 to sign up for i9 Sports camps.

SUMMER CAMPS

Beginner and intermediate levels. Campers receive a sportsmanship medal and participant T-shirt with registration.

Ages: 4 - 13

Fee: \$145 Resident, (\$5 late fee begins the Friday before camp start date.)

i9 SPORTS FLAG FOOTBALL CAMP

Covers player positions, offensive and defensive drills and schemes, passing, receiving, quarter-backing, defending a receiver, flag pulling skills and scrimmaging. Location: The Recreation Center at Rob Fleming

June 26 - 30	July 17 - 21
--------------	--------------

i9 SPORTS SOCCER CAMP

Familiarizes participants with passing, shooting, dribbling, offensive and defensive drills and positioning, playing goalie, and scrimmaging.

Location: The Rec Center at Rob Fleming

June 26 - 30	July 17 - 21
--------------	--------------

i9 SPORTS T-BALL/BASEBALL CAMP

Covers all aspects of baseball, including drills in fielding, throwing and catching. Campers will have hitting practice with a batting tee or coach pitch, depending on age and ability.

Soccer, Flag Football or T-ball/Baseball

Location: Cattail Park

June 5 - 9	8:30 to 11:30 a.m.
June 19 - 23	
July 10 - 14	
July 24 - 28	
August 7 - 11	

Location: The Rec Center at Rob Fleming

June 26 - 30	8:30 to 11:30 a.m.
July 17 - 21	

i9 SPORTS BASKETBALL CAMP

Learn passing, shooting, dribbling, offensive and defensive sets. Camp will be indoors and outdoors.

Location: The Rec Center at Bear Branch

June 12 - 16	9:30 a.m. to 12:30 p.m.
June 26 - 30	
July 17 - 21	

Location: The Rec Center at Rob Fleming

July 31 - August 4	9:30 a.m. to 12:30 p.m.
August 7 - 11	

JR. ARCHITECT STUDIO: ENVIRONMENTAL CHALLENGE

Join this Jr. Architect Studio to build five projects that create awareness and connection with the local climate/environment. From vertical garden houses to floating houses to desert houses, we will explore innovative construction concepts that are tailored to specific environmental conditions. Content will include designing, building and drawing each day. All materials included.

IKIDS LEGO® TECH TIME MACHINE

Transport to another dimension with the LEGO Tech Time Machine! Travel backwards and forwards through time exploring LEGO robotics! From prehistoric days to medieval times to the Wild West, and then onward to a future space age! Enjoy this LEGO journey, building simple mechanisms and robotics to learn about each time period, animals, catapults, rocket ships and more!

FAIRYTALE FINE ARTS

Art, music, drama and dance are the focus of this fairytale-themed camp! Students will enjoy singing, dancing, hands-on art, and the basics of acting – expression, self-confidence, communication and fun! Every day will be a new learning experience in the realm of fine arts.

LEGO® TECH USA

Travel on an all-American road trip through LEGO USA, and explore some of America's favorite things, such as cars, sports and space! Have fun with LEGO building from simple machines to basic robotics for each road stop and tourist attraction. Participate in map activities, technology discovery, creative play and more. Build your vehicle and let's go!

DIGITAL MEDIA MYSTERY

Solve the mystery of digital media, and have fun learning behind the scenes secrets of digital concepts in photography and movie creation! Put the clues together to discover animation, green screen technology, photo transformation and more! Children will utilize a variety of digital media applications, such as Photoshop and Movie Maker to create their own multimedia mysteries!

PLAY SMARTER KIDS SUPERHERO SCIENCE

Join the PSK superheroes! Save the day using slimy science, engineer escape routes, construct sidekick robots, and solve a new case each day. Each camper creates their own comic book tale of their adventures to take home at the end of camp!

CRAZY CONSTRUCTION

Calling all engineers! Join us for a week of epic engineering, electronics and crazy construction. Campers learn basic engineering concepts, explore electronics, build giant creations, and are introduced to robotics, basic programming and more! Engineers create a digital photo book of their daily creations to take home.

SILLY SPACE TALES

3..2..1.. Blast off into an adventure full of space! Explore tons of hands-on science experiments, learn all about space, meet robotics aliens and more. Astronauts keep a digital story of their space adventures to take home!

JUNGLE ADVENTURES

Learn all about animals, robotics and more in our Jungle Adventures! Meet Nile the crocodile, Brian the Lion and their friends as they introduce campers to engineering, basic programming, and a wild jungle journey. Daily adventures are captured through pictures that go home at the end of camp.

PLAY WELL TEKNOLOGIES JEDI ENGINEERING WITH LEGO®

The Force awakens in this introductory engineering course for young Jedi! Explore engineering principles by designing and building projects using LEGO materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

JEDI MASTER ENGINEERING WITH LEGO®

The Force awakens in the advanced engineering course for young Jedi! Discover key engineering concepts such as gear trains, worm drives, pneumatics and eccentric motion. Build projects from LEGO materials such as X-Wings, AT-AT Walkers, Pod Racers, Star Destroyers, Cloud Cities, Settlements, Fortresses, and other complex machines and structures from a galaxy far, far away.

SEWING CAMP NEW! YOUTH BEGINNER SEWING CLASSES!

Learn the basics from how to thread and use a sewing machine, the ins and outs of patterns and much more! Students will get to pin, sew seams, learn how to hem, sew casings for elastic and make pajama shorts! Fabric and patterns provided. Student must bring a portable sewing machine. *Limited sewing machines available to borrow.*

TGA PREMIER JUNIOR GOLF GOLF MINI CAMP

Camp includes instruction on rules and etiquette, putting, driving, games and challenges, fitness awareness and character development. Mini tournament held on last day of camp. All equipment provided.

TOUR-A-CULTURE I AM MULTICULTURAL

Learning about our diverse world has never been more FUN! Our curriculum includes STEM and language activities. Kids build 2D and 3D puzzles of countries and known landmarks; eat and make tasty snacks; design and make traditional, modern homes and clothing; play musical instruments; perform dances; and play known ethnic field and board games. Kids also learn manners while meeting, eating and speaking native languages.

YOUNG REMBRANDTS COME TO THE ZOO WITH US!

Kids love to draw animals! We will imagine ourselves at the zoo as we learn to draw a variety of different animals. On the first and second days, we will draw giraffes, lions, tigers, birds and more. Our final day will result in one large scene of the zoo divided into several habitats and incorporating the many animal friends we have learned to draw. We will have realistic and graphic style drawings.

FAVORITE APPS AND VIDEO GAMES!

Art is all around us, including on phones and online! Join Young Rembrandts for a workshop mimicking! Every day, students will learn new illustrations and coloring techniques inspired by popular video games. Artwork is inspired by pixel block characters, plants, zombies and many more classic apps and games. If your child loves to game or draw, they'll have a blast putting their own personal touches on some of these favorites! Register your special gaming artist today!

LEARN TO SWIM

Class schedules listed on pages 10 and 11.

Seven 30-minute group lessons per session.

Max of 5:1 student/instructor ratio for most groups. 10:1 for Swim with Me and Advanced classes.

The final Friday of each session is reserved for makeup class, due to weather or pool closures as determined by Township staff. *Makeup class will only be held in the event of a weather makeup.*

Session 1: June 5 - 15

Session 2: June 19 - 29

Session 3: July 3 - 13, **No class July 4.**

Session 4: July 17 - 27

Session 5: July 31 - August 10

Locations

Alden Bridge Pool, *no class on Monday*

Creekwood Pool, *no class on Thursday*

Falconwing Pool, *no class on Wednesday*

Rob Fleming Aquatic Center, *no class on Monday*

Sawmill Pool, *no class on Tuesday*

Registration

\$65 Resident per session

\$75 Non-resident per session

Online at www.thewoodlandstownship-tx.gov, call 281-210-3950 or come by The Recreation Center at Bear Branch, 5310 Research Forest Drive, The Woodlands, Texas 77381

Registration for group lessons closes at 9 p.m. on the Wednesday before the first day of the next session, please register early.

GROUP SWIM LESSON DESCRIPTIONS AND LEVEL GOALS

Each class is a prerequisite for the next higher level, exceptions may only be permitted by swim instructors or program coordinator.

Swim with Me

6 months to 2 ½ years

Infants, toddlers and adults that accompany them play games, sing songs and learn basic water skills. Children learn to become comfortable and enjoy the water while learning basic safety and water skills, including entering and exiting the pool, blowing bubbles, submersion, floating (both back and front) and changing body position in the water.

Toddler Transitions

2 to 3 ½ years

Entering and exiting the water using steps and side, bobbing, blowing bubbles, retrieving submerged objects, submerging entire body, front and back float with support, front glide with support, recovering to a vertical position and freestyle with support. Parents participate in the water for the first week of the session to help their child gain confidence in the water. By the end of the program, children should be swimming on their own.

Preschool

2 ½ to 5 years

Entering and exiting the water using steps and side, bobbing, blowing bubbles, retrieving submerged objects, submerging entire body, front and back float with support, front glide with support, recovering to a vertical position and freestyle with support.

Level 1

3 to 7 years

Opening eyes under water, submerging entire face, front float and recovery to vertical position without support, freestyle and backstroke with assistance.

Level 2

4 to 8 years

Jumping from the side, holding breath, jellyfish and tuck floats without support, front and back glide with recovery to vertical position without support, back and freestyle independently, breaststroke, treading water and exploration of deep area of pool.

Level 3

5 to 10 years

Headfirst entry from kneeling and standing position, underwater recovery of objects, treading water, simultaneous arm and leg movements on stomach without support, rotary breathing, dolphin kick, side stroke and elementary backstroke.

Advanced 1

5 to 12 years

Freestyle, breathing to the side, stream line, backstroke and starting arm movements.

Advanced 2

5 to 12 years

Freestyle, back stroke, butterfly and breast stroke, kicks, and further development of arm motions.

Advanced 3

5 to 12 years

Freestyle, back, breast and butterfly strokes, turns and dives.

Seven 30-minute group lessons per session. The final Friday of each session is reserved for makeup class, due to weather or pool closures as determined by Township staff. Registration for group lessons closes at 9 p.m. on the Wednesday before the first day of the session; please register early, aquatics@thewoodlandstowship-tx.gov.

Fee: \$40 per person

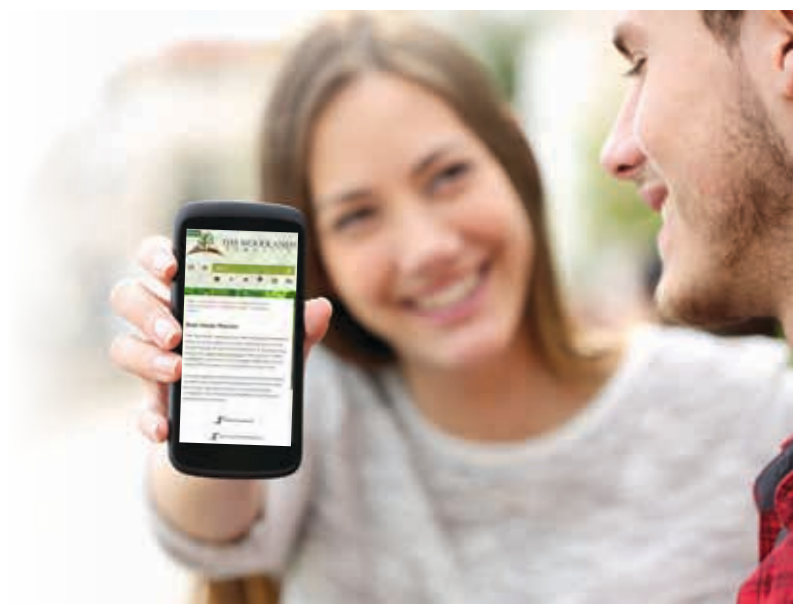

Saturdays and Sundays, dates below, 9-11 a.m. at Riva Row Boat House			
Saturdays	June 10, 17, 24	July 15	August 5, 19
Sundays	June 4	July 9, 23, 30	August 19

FIND THE BOAT HOUSE NEAREST YOU

Whether you want to start your exploration along the waterway or begin right on the lake, there are now two boat houses for you enjoy a day on the water. The Riva Row Boat House is directly next to Town Green Park and The Cynthia Woods Pavilion, and the new Lake's Edge Boat House is in Hughes Landing next to the One Lakes Edge apartment community.

SAVE TIME IN LINE!

The Woodlands Township offers an online waiver system that allows guests to move quickly through the equipment rental lines at Riva Row and Lakes Edge Boat Houses. All participants must complete a liability waiver before they go out on the water. Please visit www.thewoodlandstownship-tx.gov/rivarowboathouse to complete a waiver for EVERY person in your group. Once completed, the liability waiver remains active for the current year.

MS. DEBI'S DANCE ARTS

Teaching the art of dance for over 25 years in The Woodlands, Ms. Debi is a classically trained dancer and studio owner with a degree in dance education, join the fun!

LITTLE MOVERS DANCE CLASS

A first time dance experience! We learn to move within a nurturing environment. A fun time to run, jump and spread our wings to fly. This program is designed for the very young to experience dance movement such as skipping, turning, leaping, and also working within a group setting. Basic dance terms and words are used each week as we dance through a syllabus designed to spark the imagination and capture each child's heart. Each class consists of ballet, tap, creative dance, and basic mat gym skills to build agility and a strong body. (Boys and Girls).

Dance Attire:

Boys: White T-shirt, blue or black pants or shorts

Girls: Pink leotard, pink tights, black tap shoes

Ages: 3 - 5 Monthly Fee: \$65 Resident; \$75 Non-Resident

THE RECREATION CENTER AT ROB FLEMING

COMING
SOON!

The Recreation Center at Rob Fleming is the new location for a variety of programs for everyone to enjoy. This new facility has some great amenities, including teepees and an amphitheater.

The Woodlands Township has purchased the building formally known as The Woodlands Family YMCA at Creekside and all other improvements and structures constructed on the land located at 6464 Creekside Forest Drive across from The Rob Fleming Aquatic Center!

Upcoming programs include fitness, camps, enrichment, humanities, sports, special events, outdoor education, rentals and more! The Recreation Center at Rob Fleming is currently not open for regular hours while renovations are in progress. The facility will be open for limited hours during programs or events in Summer 2017.

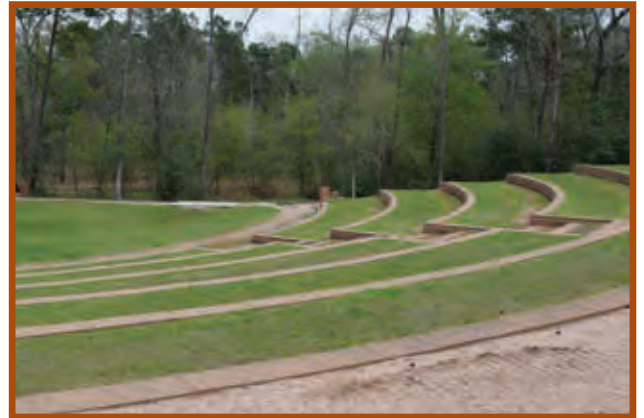

Got questions? Email us at recreation@thewoodlandstowship-tx.gov or like us on our new Facebook page! www.facebook.com/townshipparksandrec.

JOIN US FOR THE OPEN HOUSE AND MOVIE SERIES!

Join us for a fun-filled Open House and Movie Series at The Recreation Center at Rob Fleming! Meet the staff, tour the building and learn about upcoming programs. Games and activities, 7 to 8:30 p.m., movies start at dusk.

June 2 - Giant Game Day Open House! Featuring *The Jungle Book* in the amphitheater at dusk.

June 16 - Tree House Scavenger Hunt and Open House! Featuring *Pete's Dragon* in the amphitheater at dusk.

The Woodlands Township is a runner and bicycle friendly community!
